MEMORANDUM FOR: The Director of Central Intelligence  
FROM : Presidential Briefing Coordinator  
SUBJECT : Preparations for the 25 July Presidential Briefing

1. Attached are packages on the following topics for the 25 July briefing.

- A. PRC-Vietnam Relations. This contains suggested talking points, graphics, and the briefing paper.
- B. Soviet Microelectronics. This contains proposed talking points and graphics. This is a timely topic because COCOM is currently reviewing the list of commodities under embargo. The US Technical Task Force is recommending liberalization. At the same time, the White House just canceled a computer sale to the USSR.
- C.  This is a short item. Talking points are included.

25X6

2. These packages contain duplicates of the material you received yesterday and talking points prepared since then. However, the talking points do not reflect any reactions you may have had to the earlier package.
